Honoured Sir,

With your honour's kind permission we have approached the President, City Municipality regarding the burial ground for the Ahmadiya Community as your Honour is well aware this question is very important for us. Deaths is hanging nobody knows when it will come the feeling of the Muslim Community is against us. They are determined not to bury our dead. When such is the feeling against us, we humbly beg your honour to remind the President City Municipality, to grant us a piece of land though we have seen the Commissioner several times for the above purpose to no effect.

Yours obediently,

Sir,

With reference to your letter No. 13-477 dated 12th November 1935 forwarding for report, a petition of the 6th November 1935 addressed to the Dewan by the Secretary, Anjuman Ahmadiya community, Bangalore praying for the allotment of a piece of land for use as a burial ground for the use of their community, I have the honor to state that it is ascertained that the number of members of the above community is not large enough to warrant the allotment of a separate burial ground and that the majority of them are in Civil and Military Station.

I understand that a similar request had been made by this community to the Municipal Commission, Civil and Military Station. I am in communication with the President of the Municipal Commission Civil and Military Station, Bangalore regarding the disposal of this question. He has been reminded also to-day.

The Khazi of Sultanpet Bangalore who was also consulted in the matter stated that there is absolutely no objection to any member of the above Jamaat being interred in the general burial ground set apart for the Muslim community.

However, on receipt of a reply from the President of the Municipal Commission, Civil and Military Station, Bangalore,

I shall submit a final report on the subject.

I have the honor to be,
